

A2Pure SUBMISSION FORM

Client Name: _____

Address: _____

Phone: _____ Email: _____

Purchase Order: _____

Signed: _____ Date: _____

Sampling Instructions

Take homogeneous samples of >10ml liquid or scoop of powder into leakproof tubes/pottles. Label using permanent marker. Commercially packed sachets are also accepted.

Please note down if whey powder has been added to a sample as this can affect the results (i.e. potential detection of A1 in whey powder)

Indicate testing required for each sample

Sample ID	Date sampled	A2Pure

A2Pure™ - measures the level of A1 & A2 casein DNA in milk

Send samples in well packaged leak proof containers to

dnature diagnostics & research Ltd
60 Carnarvon Street
Gisborne 4010

If you have other test requirements, please contact us on **0800 DNATURE** or e-mail info@dnature.co.nz to discuss.
